### Superintendent Ritz:

Enclosed is a petition for a waiver of the three (3) year notice required (per IC 20-27-13-3) for a school district to cease school bus service. Muncie Community Schools is petitioning for the Indiana Department of Education to waive the three (3) year notice allowing instead a one (1) year notice of termination of school bus service. Our interpretation of Indiana Code indicates the Indiana Department of Education (IDOE), rather than the Indiana State Board of Education, is the proper authority to act on this petition.

Our need to pursue this waiver is based on 2012 General Assembly action establishing "Protected Taxes". HEA 1072-2012 as amended by SEA 517-2013, will result in Muncie Community Schools receiving Property Tax funding in 2014 for only 10% of the current (2013) Transportation Fund appropriations as approved by the Indiana Department of Local Government Finance. This loss of 90% of the revenue needed to continue current school bus operations is motivating this waiver petition.

This is not a step Muncie Community Schools wants to implement. Therefore, the school district is considering a referendum vote on November 5, 2013, to see if Muncie voters will approve a Property Tax levy to continue service beyond the 2013/2014 school year. If this referendum is held and passes or if the 2014 session of the General Assembly provides relief from Protected Taxes, Muncie Community Schools would then intend to restore school bus service beyond 2013/2014. However, absent either of these steps, the school district cannot sustain student bus service beyond June, 2014.

It is requested that an IDOE administrative determination be made in this matter as soon as possible so that any required notice of cessation of school bus service can be provided timely to Muncie Community Schools patrons.

## BEFORE THE INDIANA DEPARTMENT OF EDUCATION

# IN THE MATTER OF MUNCIE COMMUNITY SCHOOLS

#### PETITION FOR WAIVER UNDER INDIANA CODE 20-27-13-7

Petitioner, Muncie Community Schools ("MCS"), for its Petition for Waiver under Indiana Code 20-27-13-7, says that:

- 1. This waiver request and the filing of this petition were approved by majority vote of the Board of School Trustees, the governing body of MCS, at its meeting on June 11, 2013.
- 2. MCS currently provides transportation services to students as follows: 3,555 students are transported daily, consisting of 2,960 general education students, 400 special education students, 120 high ability students and 75 vocational education students, on 108 routes covering 1,675 miles, at an approximate total cost for the 2012-2013 school year of \$ 3,500,000.
- 3. Because of revenue losses to the MCS transportation fund caused by the imposition of real property tax limits, as shown in Exhibit A attached hereto, the provision of the transportation services to students under the program described above will no longer be feasible and must be terminated effective as of the end of the 2013-2014 school year.
- 4. MCS will continue to provide transportation services to students who are required by federal or state law to receive transportation services to and from school. Attached hereto as Exhibit B is the MCS written plan for the safe movement of eligible students to and from school.
  - 5. MCS is not able to give a three year notice of the termination of its transportation

program as required by Indiana Code 20-27-13-3; the statute requiring such notice had not been enacted in 2011 when such notice would have been required. MCS could not have reasonably forseen the necessity of terminating the transportation program described above in order to give such notice as required.

WHEREFORE, Petitioner, Muncie Community Schools, pursuant to Indiana Code 20-27-13-7, requests a waiver of the requirement to give notice three (3) years before the date after which trasportation will no longer be provided under the current transportation program, except for transportation services to students as required by federal or state law.

## **EXHIBIT A**

New "Protected Taxes" legislation enacted by the Indiana General Assembly in 2012 is now set to be implemented in 2014. This law will divert Property Taxes levied for the Transportation Fund to the "protected" Debt Service Fund and the "protected" Pension Debt Fund. Using the state-approved 2013 Property Tax budgets for Muncie Community Schools as an example in looking at "Protected Taxes" in 2014, the anticipated impact of "Protected Taxes" is as follows:

<u>FUND</u>		<u>LEVY</u>
Debt Service	\$	9,213,143
Pension Debt		890,640
Capital Projects		6,028,949
Transportation		3,782,107
Bus Replacement		56,054
Total 2013 Levy	\$	19,970,893
Circuit Breaker Loss	-	8,746,133
Net Levy (To Be Collected)	\$	11,224,760
Debt Service (Protected)		9,213,143
Pension Debt (Protected)	•	890,640
Remaining (For all Other Funds)	\$	1,120,977 *
*61% Capital Projects	\$	683,796
38% Transportation	\$	425,971
1% Bus Replacement	\$	11,210

Only \$425,971 in Property Taxes would be available to fund an approved Transportation Fund budget of \$4,100,000.
