The CDCGG and participating local real estate offices are hosting the fourth annual "Property Tax Appeal Help Day."

The purpose of the Property Tax Appeal Help Day is to assist Delaware County property owners who believe that their property assessment is too high. We will help you complete your property tax assessment appeal forms, help identify over assessed property and help with comparable sales. We cannot guarantee that you will win your appeal, but we will provide packets with suggestions on how to create a successful appeal. There is no cost for this service.

Property Tax Appeal Help Day packets can also be picked up at the following participating real estate offices: Coldwell Banker Lunsford, FC Tucker 5 Star Real Estate, John W. Osborn Realtor, and Re/Max Real Estate Groups, Alexander & Co. Real Estate Appraisers, Inc.

For more information call 765-286-7070 or log on to the CDCGG website at: [www.forgoodgovernment.com](http://www.forgoodgovernment.com)
